Record Vote Is Predicted Saturday

Milam Couny Voters will go to the polls Saturday for the August run-off Primary to cast votes for their favorite candidates. A heavy turn out of voters is expected in most areas of the state. Better than 5000 Milam Voters turned out for he July Primary.

In Commissioners Precincts one, two and three, there are five names on the ticket. In the governor's race is Ralph Yarborough against, incumbent Allan Shivers; for Associate Justice Supreme Court is Few Brewster and Alfred M. Scott; for Court of Criminal Appeals, Lloyd W. Davidson. In Commissioner's Precinct 4, two more names will be added. They are for the commissioner's post and include C. L. (Babe) Yount and R. H. McCasland.

The governor's race has been a hot one all the way through with both men throwing charges and counter-charges at each other on both TV and radio and the newspapers.

The Milam Democratic Executive Committee at a recent meeting urged that every qualified voter cast a ballot in the August run-off primary. The committee advocates that by going to the polls and voting each person has a voice in his government and is the democratc thing to do.

Votes will be tabulated as they come in. Arrangements have been made to have election managers phone their votes in as soon as the polls close.

A record turn out of voters is anticipated for the run-off. Heavy absentee voting has been reported from several sections of the state. Four hundred and twenty absentee votes were cast in this county, according to the report issued at the county clerk's office.

Cotton Laborers Plentiful Here As Harvest Gets In Full Swing

Cotton laborers are coming into this county in considerable numbers. Over the weekend ten large crews were contacted at the labor camp just north of the city on the Silver City road.

Most of the crews had from twelve to thirty pickers. A number of farmers were in the city over the weekend looking for laborers who need jobs. Sunday there were around a hundred pickers who did not have locations for picking. The weather condition may delay harvesting for a few days.

Many of the laborers need shelter. Some of the crew leaders said that if farmers did not see fit to house them now, they would move on to other areas where they could find such necessities. Many were pleased over facilities here at the labor camp. This structure was erected in 1951 by the Milam County Farm Bureau and Chamber of Commerce. This facility has been of great value and service to the farmers in this area and transient laborers have found it very useful.

Some of the laborers who stopped in the city this weekend were in route to Temple and other areas; however, reports indicate that some of the cotton in areas north of Milam County are not ready for harvest. Prices on pulling vary in some sectors, however, the prevailing price in section is around $1.75 per hundred weight.

The cotton crop this year is much shorter than in 1953 with possibly only about one-third as many bales to be harvested this season.

Rockdale Man Seriously Hurt In Car Crash

Clarence Metcalf, 42, of Rockdale suffered severe cuts about the head and a possible head concussion following an accident Saturday morning at one o'clock. Philips and Lucky ambulance of Rockdale took the victim to the Richard's Clinic at Rockdale for treatment where he was still unconscious Saturday afternoon.

The accident occured one and one-half miles South of Rockdale on Highway 77. Metcalf was driving a 1949 Ford South on the highway at a high rate of speed, the investigating officer reported, and missed a sharp curve in the road and over turning his vehicle.

It was reported that Metcalf suffered severe cuts about the head and part of his ear was cut off.

John Blansit, local highway patrolmen, investigated the accident.

420 Absentee Votes Cast; Rockdale, Precinct 15 Heavy

Four Hundred and twenty absentee ballots had been requested at the office of Homer Nabours, County Clerk, Leo O'Neill, clerk, said Wednesday. The deadline for absentee voting was midnight, Tuesday, August 24.

O'Neill said that only 75 had been voted at his office with 345 applications requested by mail. It was revealed that of the 345 applications by mail approximately 300 of this number had come from the Rockdale, precinct number 15. He said this was largest number of absentee votes cast for any run-off primary, he had ever known of. Nabours who is recuperating at his home could not be contacted on account of his recent illness for an accurate check to see if this was the largest number ever cast for an August primary.

Only 171 absentee votes were cast in the July Primary this year.

Frank Burkeen and August Miller returned this week from a fishing trip to Corpus Christi and Port Aransas. They reported a good catch.

County ASC Convention Date Changed

The procedure for election of county A.S.C. Committeemen as announced previously by the Secretary of Agriculture, has been changed in some degree, which will necssitate a change in the date that the county convention will be held.

The duly elected delegates will convene Monday, August 30, 1954 at 9:00 a.m. instead of the previously announced date of Friday, August 20.

At this meeting a county committee of three members and two alternates will be selected to serve for the 1955 program year.

McMillion Home Damaged By Thursday Blaze

A home in the residential section of Buckholts suffered extended damages late Thursday afternoon from a blaze caused by the car that was parked in the carport, Frank Richter, Sr. reported. The home was owned by Buford McMillion.

The Cameron Volunteer Fire Department was summoned to the fire, but at their arrival, the fire was well under control due to the fine work of the three Gresak brothers, who own a private fire truck at Buckholts. The brothers were highly praised for their efficient job in controling the blaze. It was estimated that the house and several others would have been totally destroyed without their quick thinking and work.

It was estimated by local officials that approximately $3,500 damage was caused. The car and carport were considerably damaged and a portion of the house received water and smoke damage, John Eanes reported.

Election Judges Make Ready For August 28-Run Off Primary

Notices and information concerning the August run-off Primary have been mailed to all of the election managers in the county, chairman Max McClaren said early this week.

Checks for the services of the managers and clerks have also been sent out. This is done early so that the judges may select adequate help in holding the election and have time to cash checks in order to have money on hand to pay their help by election day.

The Milam County Democratic Executive Committee in it's July meeting commended the judges and clerks for their efficient and prompt tabulation of the July Primary. Election returns began coming within fifteen minutes after the closing of polls in some sections of the county. Every box

Two-Thirds Of Milam Grain Crop Harvested

Local grain companies have reported that approximately two-thirds of the grain sorghum in Milam County has been harvested. The grain has averaged from 1,000 to 3,000 pounds per acre thus far it was reported.

Kirk Grain Company has purchased 4,545,335 pounds of milo while 144,260 pounds of hegari has been shipped through their elevator. They have bought 6,220 pounds of corn thus far.

Fairmont Foods consumed approximately 5,000 pounds of maize and corn at the beginning of the season. Officials there reported that the rain passing through thei rhands has been the best since 1950.

The average price paid farmers for their grain has been $2.10 per hunderd pounds. Ear corn has held a steady price of $1.25 per bushel. Kirk Grain Company officials said that the grain there has been good considering the drought conditions that it underwent.

All the grain consumed by the two local grain elevators was produced by Milam County farmers.

Joe Munoz Drowns In Ben Arnold Tank

Joe Munoz, 8 year old Mexican boy, drowned in a tank around 2:30 p.m. Wednesday, August 18 near Ben Arnold. He had gone to the tank for a swim. There were several smaller Mexican children at the tank at that time.

One of the group saw that Joe was in distress and went to get help. Joe's father was sleeping at a house near by, but by the time he heached the scene of the drowning, the boy's body had submerged beneath the water.

The tank is about 21 feet deep and is located on the farm of Anton Reinders about 1 mile east

Cotton Defoliation Field Day At Temple August 30

The Cotton Defoliation Mechanical Field Day at the Blackland Experiment Station has been set for Monday, August 30, it was announced by J. D. Moore, Milam County Agricultural Agent.

The program will start at 1:30 p.m. on the Station Farm. Fred Elliott, cotton work specialist from Texas A & M College, will also be at the Station to participate in this event.

All Milam County cotton farmers are invited to attend.

Fifty-Six Yoemen Report Monday

Fifty-six prospective Yoemen reported to the Yoe High School gym Monday morning for the initial organizational meeting. Equipment was issued after which the boys indulged in one and one-half hours of skull practice.

The boys will meet each evening at 6:30 and remain in skull practice for 40 minutes. They will take on to the lighted field at 7:30 p.m. Workouts will continue until 9:30 p.m.

Cameron will have an experienced backfield returning this year while new faces will be seen in the line. The May graduation hit the Yoemen hard, but good prospects are coming up to replace the graduating gridders.

The Yoemen, who tied for first place last season with Belton and Rosebud, will run off the T and split T formations.

Heading the list of returnees are Jimmie Rettig, halfback, who was chosen as the outstanding player in District 23-AA last fall; Leon Beale, fullback; and Tom Collins, offensive starting center.

Other lettermen returning are Joe Heitmann, Joseph Michalka, Clifford Angell, and Buddy Thompson, backs; Albert Mondrick and Benny Massengale, ends; and George Absnaider, tackle.

Squadmen reporting are John Johnson, Clyde Wallace and Charles Heitman.

A good crop of gridders from the B squad showed up and they'll be the boys who will fill out the positions on the team. Enlisting were Woodrow Lynch, Bobby Rutherford, Bobby Williams, Henry Brown, Johnny Solomon, Fred Fleischer, Paul Hoelscher, Laddie Dohnalik, Steve Polzer, Alvin Baggerly, Monroe Bayer, Harlan Mees, Billy Caldwell and Burke Barr.

Good prospects turning out for the first time were Fred Petmecky and John Duncan.

Others in the Monday morning session were the following Freshmen and under classmen: Ray Green, Chili Williams, Jimmy Smalley, Bob Elliott, Make McDermott, Emmanuel Fleischer, Johnny Moseley, Toddie Lawrence, Larry Jackson, Butch Ma-

Milam County Begins MOD Drive In Support of Emergency Campaign

With polio incidence mounting throughout the nation and March of Dimes funds exhausted, the citizens of Milam County are rallying in support of the Emergency March of Dimes, Jack Tumlinson, campaign director, declared today.

The Methodist Youth Fellowship, a volunteering group, taking time out of their normal vacation period, have mailed letters of solicitation outlining the grim financial crisis faced by the polio-fighting organization, Tumlinson said. The crisis arises from a combination of the greatest patient aid load in history and the tremendously costly new program of polio prevention he added.

The coin canisters that have been placed in all of the business establishments, carries a picture of a little girl in an iron lung, symbolizing the thousands of polio patients whose lives depend on March of Dimes help.

The envelopes mailed to the public, asking for a MOD contribution will be returned to the MYF, who will also gather the coin canisters. They will tabu-

White Resigns To Go To Thorndale; V. A. Adams Named B Team Coach

Following the resignation of Preston White, who was recently named the B team coach in the Cameron Public Schools, the school officials announced that the vacant position has been awarded to V. A. Adams, who will come to Cameron from Texarkana.

White resigned to accept the head coaching job at Thorndale High School. White had previously coached at Thorndale, where he turned out some outstanding teams.

Adams has several years of coaching experience behind him. He graduated from Harden-Simmons University in 1924 and attended Texas University, Southwest Texas State Teachers College, San Marcos and received his Master's degree from East Texas State Teachers College at Commerce in 1951.

His coaching experience include the head coaching job at Eastland High School, which is located in the Northwest part of the state, assistant coach at Tarlton Junior College Stevenville, eight years as head coach at Victoria Junior College, and he was serving as assistant coach at Texarkana.

Adam's wife, Mrs. Adams will also be a member of the public school faculty.

Mrs. Stinson E. Worley of Grand Prairie visited her parents, Mr. and Mrs. C. L. Canady for two weeks while her husband was on a two week air cruise in Naval Reserve at Sands Point Naval Air Base, Seattle, Washington.

Good Rains Fall In Some Areas In Milam County Sunday

Rains measuring from a half inch to three inches were reported from various sections of the county, fell Sunday, August 22. Heavy showers began falling shortly before noon in some areas.

Reports from the Belmena and Walkers Creek communities indicated around two and half inches fell in that area. Buckholts and Maysfield reported from a half to three-fourths of an inch.

In the southern part of the county rains were spotted. The Sharp and San Gabriel communities received hard showers about mid-afternoon.

Cameron received .70.

Cotton pulling will be delayed for a day or so due to the rains, however some areas reported that from as little as .02 at Waco to harvesting would resume Monday afternoon.

High wind-driven showers came to Central Texas but they offered little benefit other than a break in several days of 100-degree heat and a respite to lawn watering.

While Dallas and West Texas were enjoying heavy soakers, Central Texas points reported .57 at the KTEM trasmitter in Temple, .36 at Blackland experiment station and .28 at municipal airport.

Weekend rains in long-dry West Texas where the drought has done the most harm ranged up to three inches at Groom and 2 1-2 inches at Dumas, Associated Press reporter.

Two crews of professional "rain increasers" were at work over the skies of Dallas before a deluge hit that city in late afternoon. Dallas rain measurements were up to 2.3 inches, almost all of it in less than an hour.

High winds accompanying Austin's first rain of consequence in several weeks blew down huge oak trees, barns and chicken houses on the Capital City's northern outskirts.

2 Million Dollar Road Program Outlined To Advisory Committee

By Peggy Florida

Ways and means on how to build 176 miles of needed roads in Milam County for two million dollars without extra taxes were discussed at an organizational meeting of the Citizens Advisory Committee, which will work in connection with the Commissioners Court, Friday evening at the Country Club.

A basic, well laid plan on how to achieve the Farm to Market roads throughout the county at the least expense and the minimum time was outlined by County Judge Charles C. Smith, Jr., who called the meeting.

Aims of committee and the present Commissioners Court are five-fold: (1) Provide all weather roads between outlying communities and trading centers; (2) Accomodate at least 90 per cent of the total rural travel, while serving that portion of our population which is strictly rural; (3) Insure connections with communities and areas in adjoining counties; (4) Afford maximum access to Aluminum Co. of America's plant site at Sandow from all directions; and (5) Provide for the transportation needs of our schools.

A Leopard Doesn't Change Its Spots

It's an old political addage that when you can't attack a man's political record, then you must attack him personally, no holds barred. If that doesn't work, try it on his family.

That's what has happened in the current campaign. The public record of Allan Shivers has been laid on the political block seven times, and that record has been found clean by a large majority of the voters of Texas each time.

So let's attack the man. Call him a thief,, a cheat, say that he neglects his aged mother, slander his family and then, before he has a chance to answer in his own defense, turn around and loudly accuse him of doing what you have been doing yourself.

This has been the Yarborough system.

The truth makes no difference. As each slander is proven to be a lie, at least three more charges are thrown into the mud mire from which candidate Yarborough draws his ammunition.

Take a good look at this man woh is running such a campaign. To our way of thinking, a leopard doesn't change its spots. If a man will stoop to this level in order to gain public office, it stands to reason that if he is elected, he will operate that office in the same deceitful manner in which he ran his campaign .

Allan Shivers has proven himself again and again. We know where we stand with this man at the helm of our government . . . the one with the sixth lowest tax rate in the country and a 27 million dollar surplus in the bank.

Safety Department Director Releases Traffic Death Report

Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety, has just released a report on motor vehicle traffic accidents in Texas which have occurred since 1939 (the year that DPS records were first compiled) in which more than six persons were killed.

The report discloses exactly fifty such accidents, in which a total of 395 persons died. The State's worst traffic mishap, according to the record, was the truck-train crash at Alamo in Hidalgo County on March 15, of 1940, in which 29 farm workers were killed.

The second most deadly traffic disaster was the collision of the two Greyhound Buses on U. S. Highway 81 south of Waco on August 4, 1953.

Receiving third top billing according to fatalities was the August 5, 1947, accident between two trucks in Ellis County north of Waxahachie on U. S. Highway 77, in which 19 person were killed.

The State's most deadly traffic mishap involving only passenger cars was the February 7, 1953, two-car collision on U. S. Highway 30 near Weatherford in Parker County, which claimed 9 lives.

Garrison pointed out that there has been only one year since the DPS Statistical Division began compiling records in 1939 during which a multiple-fatality traffic accident has failed to claim at least six lives. That was in 1944. Thus far, in 1954, one such accident marks the record. That was the May 28 three-car mishap on U. S. Highway 90 in Gonzales County in which 6 person were killed.

S-A Kolodejcak received her basic work at Baimbridge, Maryland. She volunteered for service with the WAVES in June. She is a May graduate of Yoe High School where she was active in campus doings.

She will be given special assignment after reporting to the naval station.

Request For Absentee Ballots Heavy; May Top July Primary

At 10 a.m. Thursday only 26 voters had cast absentee ballots for the August run-off Primary at the office of county clerk, Homer Nabours, Leo O'Neill, clerk reported. O'Neill said that over a 100 applications requesting ballots by mail had been received at the office and were being mailed out promptly.

Nabours has been ill for several weeks. O'Neill had charge of the absentee balloting in the July Primary also. One hundred and seventy-one ballots were tabulated in the absentee voting box in the July election.

O'Neill said he expected the August absentee vote would surpass the July number. He said the applications from the Rockdale Precinct No. 15 had not come in yet. He said he was expecting a large number of requests from this box by mail. Absentee voting is heavy over the state.

WARNING!

TEXAS FARMERS-RANCHERS WARNED OF CIO LABOR PLANS

AUSTIN, Tex., Farmers and ranchers of Texas were warned this week that the CIO plans to organize the farm workers of Texas if its candidate wins the Governor's race.

This warning came from Governor Allan Shivers who charged that the backers of his opponents "want to turn the state government over to the same bunch that is trying to wreck Port Arthur."

"One of the first things they would do is put one of their red-hot organizers from Port Arthur in as labor commissioner. Then every time a farmer or rancher wanted to hire someone he would have to go through the CIO."

Governor Shivers said there was no doubt in his mind that the aim of the CIO after the job of organizing industry in Port Arthur and along the Gulf Coast is finished is to begin organizing farm labor in all parts of Texas.

"You can imagine what will happen when the CIO starts dictating how many laborers are needed to plow ten acres of land, refusing to allow a man to work more than thirty-five hours a week during the harvesting season and telling how much a farmer can charge for his crop," he said.

The Shivers administration, the Governor said, has worked hard to help preserve and protect the rights of the working man.

"But as long as I am Governor, the professional labor bosses who have been sent to Texas from the East — specifically those in the CIO and its Political Action Committee — are not going to run our State Government," Shivers promised.

Shivers said the average working man in Texas appreciated good government and that they were not going to let CIO bosses and professional organizers from the East do their thinking — and voting — for them.

You get a 3-way bonus in the car that's soaring to new success

WHAT has happened in the automobile business this year is something that you should take to heart — as a personal benefit to yourself, and as a sure way to pick a winner.

It is simply this: Buick has moved into the charmed circle of America's three top sales leaders — a circle once dominated *only* by the so-called "low-price three."

In plainer words — Buick today is outselling *all* other cars in America except *two* of these so-called "low-price three." And this has come about because of Buick's advanced year-ahead styling, great V8 power, big-car room and comfort — all for prices starting right close to the lowest. So *you* reap a worth-while 3-way benefit.

1. You get the look of tomorrow — today

In Buick today you get the modern styling other cars will reach in the future. For here you get true year-ahead beauty — long, low glamor lines, sports-car grace, and that spectacular new panoramic windshield that most other cars won't have till 1955.

2. You get the bigger allowance of our volume business

The tremendous sales volume that has brought Buick into the leadership circle of the "Big Three" means that we can offer you a higher trade-in allowance on your present car when you buy a new Buick. That's the simple reason why we can make you a better deal right now.

3. You get more resale dollars when you trade

With Buick so advanced in style *this* year it's a sure thing Buick will stay in style for years to come, as other cars catch up. So the new Buick you buy today brings you a higher resale price at trade-in time later. Drop in — see and drive this tomorrow-styled Buick — and get in on Buick's big 3-way bonus right now.

Now's the time to make your buy because —

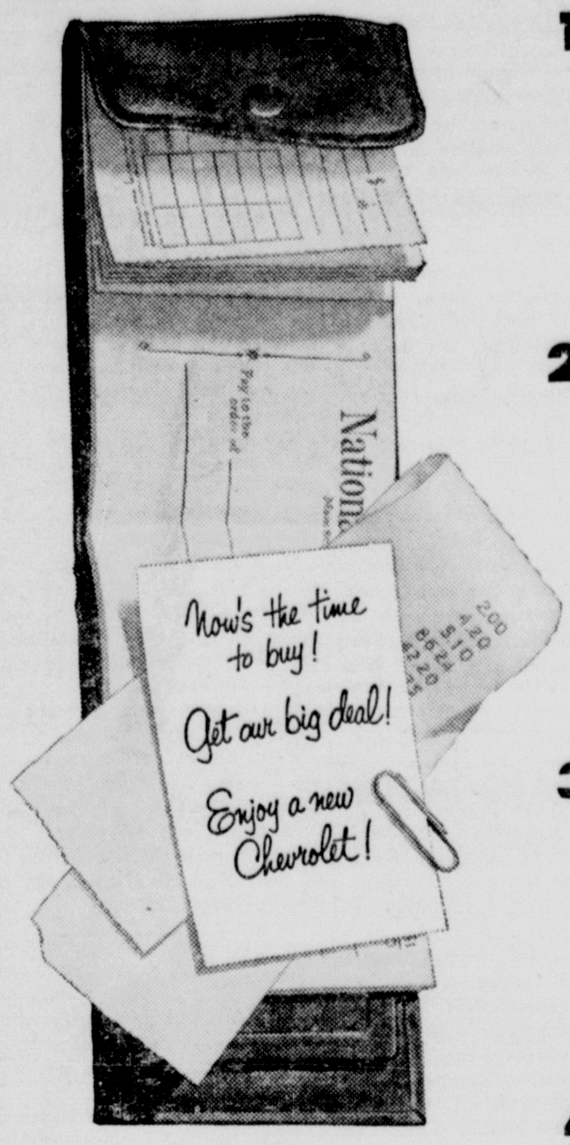
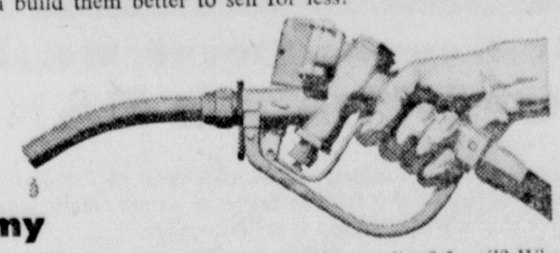
Be sure you **get the best of these big 4**



1 price

Take a look at what you pay and what you get. You'll see that Chevrolet has more *for* you and asks less *from* you. It's priced below all other lines of cars. That's possible because Chevrolet builds the most cars—and can build them better to sell for less!

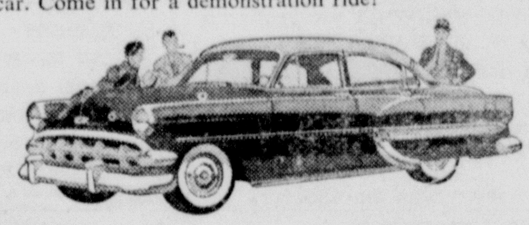


2 economy

What's it going to cost to keep that new car in gasoline? In oil? What about service and repairs? Check into it and you'll find that Chevrolet has the greatest name of all for keeping upkeep costs down over all the miles you drive!

3 performance

Do you want livelier, smoother performance on less gas? Then be sure your new car has modern *high-compression* power. That's just what Chevrolet gives you—the *highest-compression* power of any leading low-priced car. Come in for a demonstration ride!



4 appearance

You, of course, are the only one who can decide which car looks the best to you. But you might well consider this: Chevrolet's the only one in the low-price field with the smooth lines and graceful beauty of Body by Fisher. It's the look America likes best!

calves on the ground are like

MONEY IN THE BANK

It costs a lot of money to keep a cow. A lot of that money is lost if she fails to settle or drops small, weak calves that die or develop into "tail-enders."

BIG CROPS of husky calves are a must, if a fellow is going to make money ranching. This is especially true when the price of cattle is off.

Your range needs help. It takes more than grass alone to give your cows what they need to grow and drop the kind of calves that will bring top prices next fall.

PURINA RANGE CHECKERS have proved their worth in research tests and on thousands of ranches. This favorite range supplement has what it takes. Cattle love Checkers, do well on them. Cows stay up in good shape at calving time, have lots of milk for the calves, too.

More and more Southern cattlemen are planning their breeding program so that calves come in the late fall. These calves are ready to eat early grass—hit the early market, which is usually best.

Feed for big calf crops the Purina Way. Purina Range Checkers can help you keep your operation on the profit side of the ledger.

COME IN. We'll visit about Purina Range Checkers and profitable ranch management. Make it soon!

Hal Senkel, Buckholts Lad Again Tops Corn Raisers in Milam County

Hal Lester Senkel, son of Mr. and Mrs. Edward Senkel of the Buckholts community, retained his title as champion corn grower of Milam county by producing 148 bushels and 54 pounds of corn an acre this year.

Producing this outstanding yield on his two-acre 4-H Club corn demonstration plot is nothing new to young Senkel since he produced a yield of 137 bushels and six pounds an acre last year, and 136 bushels and eight pounds an acre in 1952. The 4-H Clubber's father came in second this year with a yield of 133 bushels and 31 pounds.

Hal Lester's yield came from a plot planted to Texas Hybrid No. 30. He used 200 pounds of 16-20-0 fertilizer an acre at planting time and side-dressed with 100 pounds of anhydrous ammonia an acre in May. The plants were spaced 10 inches apart on 40-inch rows. He irrigated the corn four times.

Young Senkel was state champion last year in the Texas Hybrid Seed Corn Growers contest and received a $50 cash award. He stands a good chance to top the state again this year, according to Milam County Agent J. D. Moore.

Cameron-Calvert Split Double Header Monday

Cameron Little League played two games of baseball Monday night against the strong Calvert Little League teams before a estimated crowd of two hundred people on the Maysfield ball field at Maysfield.

The first game was a very good game between the two teams ending after five innings by the score of 5 to 13 in favor of the Cameron team.

Cameron's Lefty Veazey pitching showed excellent control all the way with Charles Hollas receiving the ball.

Cameron lost the second game by a score of 15 to 6. Bobby Griswold, Dale Smith and Thweatt were each credited with homers in the second game.

C. Fikes was the losing pitcher with A. Dodson doing the catching. The second team composed of less experienced players were credited with numerous errors allowing the more experienced Calvert team to score six runs in the first inning.

Fikes was relieved in the fourth by Veasey. This was the last game this season for the Cameron teams and all players are asked to turn their uniforms in to their respective managers as soon as possible.

Calvary Baptist Revival Site Changed

The revival at the Calvary Baptist Church will be held inside the building instead of outside as previously announced, the pastor, Rev. J. Frank Steele, reported.

He said that the building has been redecorated and will be cooled by fans and an air conditioner.

He continued to say that it was agreed Sunday that the men were to wear sport skirts and any member who wore a tie or coat during the week would be liable to a fine of not less than one dollar. Visitors will be exempt from this rule for one service.

Rev. Steele invited the general public to attend. The revival begins August 27 and continues through September 5.

Buckholts To Open Football Training Sept. 6

September 23 will be the first football headliner for the Buckholts Badgers. On that day the Badgers will meet Iredell at Buckholts.

The only senior letterman to return to this year's Badger camp is Zackie Griffin, a 150-pound back. About 12 juniors and sophomores, including three lettermen will be back this year too. The team will be working hard but actually they'll be shooting more toward the goal next season when an experienced team will take to the field.

The Buckholts team won't begin practice until the opening day of school on September 6. They are members of District 10 B.

Johnny Jungman and Albert Abel along with Griffin head the list of gridders returning. Others are Joe Dean Zajicek, Milton Daniels, Dwayne Orsag, James Tate, Glenn Hutka and Carl Jurca.

Coach of the Badgers is Louis DeWald, a graduate of Southwestern University and formerly of Copperas Cove.

The schedule is as follows:

Sept. 23	Iredell	Home
Sept. 30	Hutto	There
Oct. 7	*Copperas Cove	Home

Milam Citizens Are Given Facts About Tuberculosis In County

Before a case of tuberculosis can be cured, it must be found. To break the chain of infection in this unnecessary, preventable disease, efforts must be made to find all cases of tuberculosis and get them under medical supervision.

Efforts to find unknown cases of tuberculosis are the foundation of any tuberculosis control program, because no system of treatment, however complete, can prevent the spread of tuberculosis from an undiscovered case. What are the facilities for diagnosis of tuberculosis in your county? What is being done in your county to find tuberculosis?

Recently three Milam County residents participated in a survey to find the facts that will be related to you step by step. Dr. John B. Bryson, Milam County Health Unit Director, headed the list. Assisting him were Mrs. Dana Monroe, housewife, of Cameron and Mrs. Norma Jean Wilson, welfare worker at the State Department of Welfare, Rockdale.

Milam County has a full-time County Health Unit with a full-time medical director. Two public health nurses are employed, one by the Health Unit and one by the county school board. The county has five public welfare case workers who are associated with the State Department of Public Welfare.

Milam county does not have a tuberculosis hospital and there is no established chest clinic. Private physicians maintain the chest clinics. It was also certified that patients in this county do not use clinic facilities in other counties.

There have been four mass chest X-ray surveys conducted in Milam county since January 1, 1951 with the last being in May, 1954. The State Health Department sponsored the surveys at which time 4,872 were X-rayed during the last survey. This was twenty-four percent of the adult population of Milam county.

The results of the screening survey showed that 4,746 persons were negative; 51 had cases of tuberculosis; 30 were suspicious of TB with 45 being non-tuberculous. The director of the Milam county health unit received the statistical report of the screening survey.

It was found in this survey that one new case in 1951 was found by private physicians, apart from other community case finding efforts. There were four cases in 1952 and two were found in 1953. Two private physicians use the tuberculin test followed by x-ray of reactors for children under 6 years of age, while one other physician for expectant mothers.

No tuberculin testing program has been conducted in this county during the last years it was disclosed in the report.

It was also found that not any of the general hospitals in this county routinely X-ray all hospital personnel for TB. All contacts of the newly reported active cases are tuberculin tested and-or x - rayed at private or county expense. The report stated that the county's general hospital takes communicable diseases and tuberculosis patients.

Since tuberculosis is an infectious disease, the public and the patient's family are protected by the hospitalization of the person with active tuberculosis. Through hospitalization, the patient is assured the full benefit of constantly developing knowledge about the treatment of the disease.

There were 13 patients from Milam county who were admitted to tuberculosis hospitals in 1951; seven in 1952 and ten in 1953. The state hospital received eleven patients in 1951, six in 1952 and six in 1953. The remaining patients were hospitalized at Veterans hospitals, 2 in 1951; one in 1952 and four in 1953.

It was disclosed that today there are six unhospitalized patients in the county-one is on the waiting list, one refused hospitalization and four left the sanotoria against medical advice.

Patients in this county must wait from two to four months for admittance the committee reported. While they are waiting for hospitalization they receive chemotherapy, drug therapy and prescribed to rest in bed. It was noted that the treatment prescribed to the patient while waiting is generally recommended by the hospital with the patients doctor and public health nurse supervising the treatment. The county booths the bill for the needed drugs if the patient is unable to do so.

During the past three years 16 patients left the hospital, seven with medical discharge; four against medical advice and five patient's reasons for leaving were unknown at the time of the survey. After the patient returns home the patient follows the health department are notified of their return. After returning home the patient followed the medical and nursing supervision given by the private physican or personnel of the county health unit.

Milam county has two patients who are of school age and these patients receive schooling at the state tuberculosis hospitals. Four deaths from tuberculosis were reported in 1951; five in 1952 and three in 1953.

The resources of medical science available in a modern tuberculosis hospital are wasted if the patient will not or cannot go to the hospital, leaves against medical advice, or returns home to problems so difficult that the disease, so laborously arrested, is reactivated. Vital to any tuberculosis control program are efforts to help the patient and his family accept disagnois, adjust the treatment and convalescence, and make a satisfactory readjustment to normal living.

Communities are concerned with problems of public assistance and social services which effect the recovery of tuberculosis. If the patient cannot finance his own care, the state hospitals take care of him. When the family breadwinner is hospitalized financial aid goes only to dependent children. When the mother is hospitalized, relatives are the only resource for the care of children.

In closing the report the committee outlined briefly the health education activities in Milam county for the past three years through which the public and professional groups had opportunity to learn facts about tuberculosis.

The report stated that mass X-ray surveys are being taken and professional speakers to County Medical Society are engaged.

They consider that case-find, keeping cases isolated, education of citizens, financial aid to families and state law to force infectious cases to be isolated were the most urgent problems in tuberculosis prevention and control in Milam County.

Mr. and Mrs. F. E. Jackson and family visited in Austin Sunday and were accompanied home by their daughter, Josephine, who had been visiting relatives there for several days.

O. J. Thomas Pupils Go Sight Seeing

On Saturday morning, April 24 at 7 o'clock seven students of the highest rank in grades 1 to 8 of the O. J. Thomas Elementary School were carried to Austin by Emeola E. Green, their teacher, and C. L. Sadberry, Jr., principal of O. J. Thomas School.

They enjoyed the sights of interest that could be viewed from the highway including the Alcoa Aluminum Plant at Rockdale, The Taylor Bedding Company and the Baptist Boy's Home at Round Rock.

Arriving in Austin at 9:10 they motored down Congress Ave, then entered the Capital, visiting the Art Galleries, Various Chambers, Historical scenes and portraits. They registered at each exhibit.

The group then visited John Whilley's "Ten Talent Shop" on San Benard, after which they toured the State School for the Deaf, Dumb and Blind.

After lunch they stopped at the Texas Memorial Museum and last at the Cox Zoo. They arrived back in Cameron at 7:30 p.m. The children were carried in Emeola Green's privately owned school bus.

The McKeown's On 3-Week Vacation

Rev. and Mrs. Jim McKeown and children, Carol, Linda, Jennifer and Larry left Cameron Wednesday morning for Albany, Georgia where they will visit Rev. McKeown's family, Mr. and Mrs. Jim Harper.

From there they will go to New Smyrna Beach, Florida where they will visit Mrs. McKeown's parents, Mr. and Mrs. L. H. Poorbaugh. While visiting at New Smyrna Beach, Rev. McKeown will conduct services at the Episcopal Church.

They will return to Cameron after three weeks, and are expected here September 8. Rev. McKeown is rector of the All Saint's Episcopal Church of Cameron.

What Was This Call Worth?

"Mommy, can I stay at grandmother's tonight?" That was little Carol's very first telephone call — a real thrill that can hardly be measured in dollars and cents. Yet, Mrs. Caroline Niemeyer, Carol's grandmother, can tell you what that call cost. She is one of a group of customers who kept day-by-day records of calls made for a week — a total of 30 calls covering 133 miles. Then she broke her telephone bill down into the actual cost per call. "I was amazed," she reported, "at how little my telephone service cost for all the convenience and happiness it delivers." SOUTHWESTERN BELL TELEPHONE COMPANY . . . FORD IS FIRST IN SALES

– by thousands

National new-car registration figures* for the first six months of 1954 prove that Ford leads the industry in sales! In fact, ever since car production has been free of restrictions, more and more new-car buyers have been swinging over to Ford. That's because Ford offers more things for more people than any other car. In today's Ford, for example, you get the matchless benefits of owning the only car in the low-price field with a V-8 engine (the new Ford Y-block V-8) . . . the only car in Ford's field with the smooth ride of Ball-Joint Front Suspension . . . the only car in Ford's field with truly modern styling . . . the only car in Ford's field with such high resale value.

Plans Progressing In County-Wide MOD Drive

Plans for the August 16-31 March of Dimes Drive in the county are going along fine, Jack Tumlinson, chairman, said today. A complete report from various sections of the county will be available within a few days, Chairman Tumlinson said.

Patient-care and polio prevention are the principal reasons for the increasing cost of National Foundation for Infantile Paralysis program. Until the vaccine, which shows so much promise, is available to the public, there is every indication that the costs of our program will not go down. We therefore have two things which must be done: (1) raise more money by telling our story at every opportunity; (2) economizing wherever possible.

The best way to save chapter funds is wise and intelligent use of the medical advisory committee. This group can advise the chapter on the length of hospitalization, appliances, home care and out-patient treatment. Also, the medical advisory committees can work back through their own medical societies in urging more home care for mild polio cases.

A safe and promising polio vaccine is now being tested for effectiveness in preventing paralytic polio. Hundreds of thousands of children in the primary grades are taking part in the tests. All the vaccine available is being used in this field trial so that there will be none of it for anyone else this year.

Only children in areas selected by State Public Health Officers and the National Foundation for Infantile Paralysis could be included in the tests. Not all of them are receiving the vaccine, but the health records of all these children are necessary to prove the value of the vaccine.

200 Hear The Value Of Legume Planting At Farm Bureau Meet

Approximately 200 persons attended the general membership meeting of the Milam County Farm Bureau last Thursday at the Cameron City Park. Clinton Harbers and Paul Emmons were special speakers on the program.

John A. Smith, president, called the meeting to order. Milam County Agent J. D. Moore, who cooperated with the local Farm Bureau in securing the speakers, was introduced. He in turn introduced Mr. Emmons, who is with the Service Equipment Company in Dallas. Emmons gave details centering around the legume planter. He later presented a film discussing different stages of the legume progress. Burkes-Howard Equipment Company, local dealers, displayed the equipment, mounded on a tractor.

Clinton Harber of West Point was then given the floor. He discussed how he planted legumes, how they helped build up his soil the progress he has made since and the value of the legumes to his farm.

Following the meeting refreshments were served and interested persons and farmers floored the two speakers with more questions about the legumes.

YOU SAVE MORE when every item you buy is priced low . . .

Be sure . . . shop SAFEWAY

You can't judge a book by its cover. Neither should you judge food savings by week-end specials alone. Thrifty shoppers know that the way to real savings is to shop at a store where every price is low—all the time. It's the total that counts. And . . . the total is less when every price is low. Compare the prices listed here! We believe you'll agree that you save more on your total food bill by shopping regularly at Safeway.

Mrs. Alton Glenn Logan

Betsy Caperton, Alton Logan Wed Friday at First Baptist Church

In a beautiful and impressive candlelight ceremony Friday evening, August 20, at half after seven, Miss Betsy Caperton became the bride of Airman Second Class Alton Glenn Logan. The double ring ceremony was read by the Rev. P. L. Caperton, grandfather of the bride, at the First Baptist Church of Cameron.

The altar was decorated with seven floor baskets of white mums and greenery. Three stands of candelabra and a wrought iron trellis entwined with greenery completed the background. The candles were lighted by Nathan Offield and Eugene Smitherman.

Miss Caperton is the only daughter of Mr. and Mrs. Narvie Caperton. Parents of the groom are Mr. and Mrs. J. Y. Logan all of this city.

Mrs. Francis Cox, organist, accompanied Max McClaren, soloist, who sang Grieg's, "I Love Thee" and "Because". She played the traditional wedding march and during the ceremony "Tramueri" was heard softly in the background.

Given in marriage by her father, the bride wore a waltz-length gown of lace, and tulle over taffeta. Her gown was designed with a strapless bodice of lace. A lace insert extended to the mid skirt after which softly gathered tulle fell into a beautiful waltz-length gown. She wore a jacket of imported lace that was designed with a high neckline and long sleeves that tapered to a point at the wrist. It was accented with a Peter Pan collar and a row of self-covered buttons down the front. Her finger tip veil of illusion fell from a crown of seed pearls. She carried a bouquet of Phalaenopsis orchids atop a white Bible.

Miss LaVerne Michalka served the bride as maid of honor. Bridesmaids included Miss Diedra Denson, Mrs. Barbara Smitherman and Mrs. Mildred Ansley of Angleton. The attendants were identically dressed in aqua net gowns over taffeta fashioned with a deep throated neckline and rows of shirred ruffles applied at the edge. The back of the bodice featured a deep v-shaped cut. The full gathered skirt of tulle over taffeta fell softly into a waltz-length gown. Each wore aqua shoes and matching head bands of horsehair braid, decorated with tiny blue flowers and velvet bows that were sprinkled with rhinestones. The attendants carried cresent shaped bouquets of pink asters entwined with ostrich plumes.

Ray Thompson was bestman and groomsmen were Eugene Smitherman, Nathan Offield and David Ansley of Angleton.

Immediately following the ceremony a reception was held at the Cameron Country Club. In the receiving line were the parents of the couple, Rev. Caperton, the bride and groom and attendants. The guests were registered in the bride's book by Mrs. Don Humble.

The serving table was covered with a white cloth and centered with an arrangement of aqua asters and agua frosted plumes. Each side was flanked by bronze grape clusters. The edge of the cloth was decorated with an aqua ribbon centered with three bronze grape clusters. Tne four tiered wedding cake, iced white and decorated with pink flowers and aqua leaves was served by Mrs. Porter Young and Miss Ann Bradbury. Miss Patsy Michalka served pink punch from the crystal punch bowl.

Others assisting in the house party were Mrs. Tom Faver, Mrs. S. B. Morris, Mrs. E. M. Pemberton and Mrs. Harrison McLerran.

Mrs. Caperton chose for her daughter's wedding a rose beige dress of lace. She wore pink and black accessories and an orchid corsage. Mrs. Logan, the groom's mother, wore a navy blue crepe dress with pink accessories and an orchid corsage.

For traveling the bride wore a a rose silk shantung suit with aqua gloves and black accessories. She wore the orchids from her corsage.

Following a short wedding trip to Austin the couple will later be at home at Ogden, Utah.

Mrs. Logan graduated from Yoe High School in 1953 and attended Texas State College for Women at Denton. Mr. Logan is a 1952 graduate of Yoe High School and is presently serving in the U. S. Air Force. He has been stationed at Fort Bragg, North Carolina and is scheduled to be assigned at Ogden, Utah.

Out of town guests include Mrs. A. J. Morris, Mrs. Louise Moore, Janice Sue Moore, Mrs. Burnett Morris,, Mr. and Mrs. S. B. Morris, Gwyn Dumas, Bill Baugh, Mr. and Mrs. A. L. Mann and Mr. and Mrs. E. M. Pemberton and family, all of Temple; Mr. and Mrs. Clifford Thompson of Caldwell, Mrs. Ray McLerran, Jr., of Deer Park; Mrs. Jancen Redfern of Houston; Mr. and Mrs. Ed Coston of Beaumont and Mr. and Mrs. David Ansley of Angleton.

Mr. and Mrs. Leroy Johnson of Corpus Christi and son, Malcolm visited in the home of Mrs. M. M. Johnson Monday on their way to Brownwood Lake for a visit.

Miss Caperton Feted At Tea Shower At H. N. Tate Home

Mrs. H. N. Tate entertained at a tea-shower at her home Tuesday afternoon, August 10 from four until six o'clock honoring Miss Betsy Caperton, bride-elect of Alton Logan.

Receiving the guests were the honoree's mother, Mrs. Narvie Caperton, her grandmother, Mrs. P. L. Caperton, the groom's mother, Mrs. J. Y. Logan, his grandmother, Mrs. W. W. Lindsey, the honoree, Miss Caperton and the hostess, Mrs. Tate.

Approximately one hundred guests were registered in the bride's book by Mrs. Brenan Morris, aunt of the bride-elect, of Temple.

The dining table was covered with a Quaker lace cloth and centered with an arrangement of pink carnations and aqua daisies, entwined with ribbons of the same shade. A pink and aqua figurine was on each side of the arrangement.

Serving pink punch, cake squares, which were iced white and decorated with aqua flowers, and mints were Miss LaVerne Michalka, Miss Diedra Denson and Miss Ann Bradbury. Also assisting in the house party were Mrs. Frank Richards and Mrs. J. H. Angell.

All members of the house party and the honoree wore corsages in the bride's chosen colors of pink and aqua.

Mr. and Mrs. Thomas Roger Underwood of Lexington announce the birth of a son at St. Edward Hospital August 16. The new arrival tipped the scales at six pounds, twelve ounces and was named Thomas Roger Underwood, III.

DAV Auxiliary Meets Recently At Home Of Mrs. Lelia Batte

The Disabled American Veterans Auxiliary, Sam Tyson Chapter Number 18, met at the home of Mrs. Lelia Batte Tuesday evening, August 17.

Mrs. Batte, newly elected commander, presided at the business meeting. Part of the new business discussed was a report on the progress that members and friends of the Chapter have made on the D.A.V. home.

The parent chapter has completely renovated one of the rock buildings near the lake in Ledbetter Park. This building will be the permanent meeting place of the Chapter and Auxiliary.

Seven adult members, three junior members and one guest, Mrs. Agnes Plachy, enjoyed the hospitality of Mrs. Batte's home.

Bernice Fischer To Represent Milam In District Dress Revue

Bernice Fischer, daughter of Mr. and Mrs. Edwin Fischer, will go to Stephenville, August 27 to represent Milam County at the District 4-H Dress Revue. She was chosen over all 4-H club girls in the county in the teen-age group.

In Stephenville Miss Fischer will compete with girls from all the counties over the state. During her six years in club work, Miss Fischer has a record of completing fifteen 4-H club projects including clothing, cooking, gardening, poultry, field trips and meat animals. She has won two purple ribbons, nine blue ribbons, ten red ribbons and one white ribbon on some of her demonstrations and the past four years dress revue pins for 100 per cent girl in club work. Last year she was selected "Gold Star Girl" of Milam County for outstanding club work.

Miss Fischer attends all county encampments and one district meet held at Stephenville last year as well as the State Round-Up at College Station. She is president of her local club, song leader, reporter and council delegate leader of the county and home club.

High Honor Awarded Mrs. Grabein For Flower Arrangement

Mrs. R. G. Grabein received a complimentary copy of the Flower Arrangement Calendar 1955 by Helen Van Pelt Wilson as a result of one of her arrangements being accepted for the book.

The calendar is made up of arrangements from garden club member winners over the county. She is a member of the Cameron Civic Garden Club. She is the third member of the local club to receive such an honor. Mrs. Frank Schiller and Mrs. Leo Fuchs both had arrangements in the 1954 calendar.

The winning arrangement that Mrs. Grabein presented was of dried brown dark golden wheat head and yellow narrow flowers combined in a simple study for a hall or living room table. Tree bark stained brown was used for the base.

Sturdivants Reveal Troth Of Daughter

Miss Joyce Lynn Sturdivant and Carl Louis Barker have set Sept. 25 as the date of their wedding, which will be held in Hyde Park Baptist Church.

The bride-elect is the daughter of Mr. and Mrs. Fred B. Sturdivant, 4412 Avenue B, and the prospective bridegroom is the son of Mrs. A. L. Barker, 5307 Duval. Mr. Barker served in the US Army with the 223 Regiment of the 40th Division, from January, 1951, to December, 1952, part of which time he was in Korea and Japan. He received his education in the Cameron Schools and Austin Public Schools and is now in the construction business with the Barker Brothers.

The bride-elect is employed in the Adjutant General's Department. She is a graduate of Buda High School and attended Nixon-Clay Commercial College in Austin. She is a member of the Beta Sigma Phi Austin City Council.

The Rev. Lory Hildreth, pastor of Hyde Park Baptist Church will perform the ceremony.

Miss Evelyn Klapka Honored At Bridal Tea August 17

Miss Evelyn Klapka, who will marry Walter Burnett on September 3, was honored at a tea-shower at the home of Mrs. Louis Slavik Tuesday evening, August 17. Co-hostess was Mrs. Johnnie Faye Baird.

Forty gifts were on display during the hours of 7:30 to 9:30 at the come - and - go shower. Guests were registered by Miss Veronica Michalka. Miss Kathleen Eickenhorst poured punch from the bowel that rested on the lace covered table. An arrangement of yellow mums centered the table. Angel food cake and mints were served buffet style.

He is presently employed as advertising manager at the Cameron Herald. The wedding ceremony will be read at 7:30 p.m. Friday, September 3 at the First Christian Church of Bartlett.

Beach-Johns Wedding Rites Read August 18

Marriage vows were exchanged Wednesday, August 18 by Miss Ruth Marie Beach, daughter of Mr. and Mrs. Henry Beach of Westphalia and Monroe Frank Johns, son of Mrs. Anna S. Johns of Rogers at the Church of the Visitation at Westphalia.

The wedding rites were read by Monsg. Robert P. Schertz, pastor, who also celebrated the nuptial high Mass.

The bride, given in marriage by her father, wore a dress of white nylon tulle over satin. The skirt featured an accordian pleated front panel. The bodice was fashioned with an Elizabethan collar and long pointed sleeves.

A finger tip veil of French illusion was held by a coronet of lace and pearls. She wore a pearl necklace, a gift of the bridegroom and carried a bouquet of white carnations, centered with an orchid.

Miss Olivette Beach of Houston was maid of honor. Bridesmaids were Miss Mary Helen Schneider of Rosebud and Miss Ellie Jo O'Krulik and Miss Barbara Ann Hesse, both of Temple.

The attendants wore gowns of ice blue silk organza and net. The skirt of net was attached to a pleated yoke. Headdresses were of ruffled net trimmed with lilies of the valley. The wore blue rhinestone earrings, gifts of the bride, and carried bouquets of red carnations.

John Joe Johns, brother of the bridegroom, was best man. The Groomsmen were Floyd Kleypas, of Sweetwater, Donald Baca of Dallas and Thomas Beach of Westphalia.

Mrs. Beach, mother of the bride, wore a black faille dress with black accessories and white gloves. Her corsage was of white carnations. Mrs. Johns chose a navy blue faille dress with navy accessories and a white carnation corsage.

After the ceremony the bridal party was honored with a wedding breakfast in Temple by Mr. and Mrs. Ed Hesse. At noon a dinner was given in their honor at the Parish hall in Westphalia. A wedding reception was held in the Parish hall at 5 in the afternoon and a wedding dance was held after the reception.

At the reception Mrs. W. A. Hadlar of Angleton was in charge of the guest book.

Mrs. Johns is a graduate of Rosebud High School and of Seaton School of Nursing in Austin and has been employed at McCloskey hospital in Temple during the past year.

Mr. Johns is a graduate of Rogers High School and Texas A & M College. He is employed with a power company in Terrill.

Following their wedding trip, the couple will be at home in Terrill.

Caperton - Logan Rehearsal Supper Thursday Evening

Members of the Caperton-Logan wedding party were honored at a rehearsal supper Thursday evening at the Caperton Lake. Chicken salad, potato salad, stuffed celery, olives, pickles, strawberry shortcake and iced tea were served buffet style to the guests.

Guests of honor were the bride and groom, Miss Betsy Caperton and Mr. Alton Logan. Also attending were the parents of the couple, Mr. and Mrs. Narvie Caperton, Mr. and Mrs. J. Y. Logan and grandparents of the bride, Rev. and Mrs. P. L. Caperton.

The attendants present were Miss LaVerne Michalka, maid-on-honor; and bridesmaids, Mrs. Barbara Smitherman, Miss Diedra Denson and Mrs. Mildred Ansley; bestman Ray Thompson and groomsmen Eugene Smitherman, Nathan Offield and David Ansley.

Other guests present were Mr. and Mrs. Max McClaren, Mr. and Mrs. Don Humble, Mr. and Mrs. Lester Glass, Mr. and Mrs. D. L. Humble, aunt and uncle of the bride and Mrs. S. B. Morris of Temple, aunt of the bride.

Ben Thweatt Given Surprise Birthday Dinner Thursday

Ben Thweatt was given a surprise birthday dinner Thursday, August 12. All of his sisters and brothers gathered at the home of the honoree and Mrs. Thweatt at noon on Thursday for the affair.

It was Mr. Thweatt's 54 birthday and he received many nice gifts. A menu consisting of chicken spaghetti, barbecue with all the trimmings, tea, coffee, lemonade and Cokes was served to thirty-three relatives.

The dining table was centered with a lovely arrangement of asters. The table was covered with a linen cloth. Besides relatives, Misses Betty Moulton and Peggy Lott of Dallas were present. They wtre guests of Miss Dianne Armstead who is a granddaughter of Mr. and Mrs. John Thweatt. Ned McElwrath of Rockdale was a grand-nephew present for the celebration.

Brothers and sisters present for the dinner were Mrs. Roy Newton, Mrs. Ralph Massengale, Mr. and Mrs. Bill Thweatt, Mr. and Mrs. Gilford Thweatt, Mr. and Mrs. Herbert Thweatt, Mr. and Mrs. John Thweatt, Mr. and Mrs. Dom Thweatt.

Committee Chairman Of B&PW Club Named By President

The Business & Professional Women's Club of Cameron met Monday for its regular August meeting. The group gathered at the Narvie Caperton lake for an ice cream supper.

Approximately thirty members were in attendance. No planned program was conducted, however, the president, Miss Lenora A. Bickett, appointed the club committee chairmen for the coming year.

The committee and chairman are:

Educational and Vocational, Mrs. Lelia Pruett; Health and Safety, Mrs. Ruby Lee Swanzy; International Relations, Mrs. Lois Kruse; Public Affairs, Mrs. Neomie Needham; Legislation, Mrs. Katherine Robbins; Finance, Mrs. Loretta Brock; Membership, Mrs. Lois Randolph; News Service, Mrs. Josephine Leonard; National Security, Mrs. Vance Werner; Program, Mrs. Roberta Bowling; Park, Mrs. Lottie Bigbee; Club property, Miss Lillian Atkinson and Miss Bickett; Yearbook, Miss Mary Randolph; Parlimentarian, Ida Belle Lewis; Music, Mrs. Mary Houston and Mrs. Denton House; and Hospitalities, Mrs. Florance Markham, Mrs. Vera Goldfarb, Mrs. Rose Statman, Mrs. Hazel Williams, Mrs. Lorene Arnold and Mrs. Lalla Meyers.

Miss Bickett had charge of the short business session and gave a report on the B&PW conference that she attended Sunday in Temple. All presidents of District 6 met at the Kyle Hotel on Sun. and laid plans for the District Conference of the Business and Professional Women's Club which will be held November 13 and 14 in Temple. All clubs, including Cameron, will have a part in the program.

It was also announced that due to the Labor Day holiday on September 6, the B&PW meeting here will be held on August 30. The members will be guests of Misses Lois and Mary Randolph and Mrs. Vance Werner at their country cabin near Maysfield.

Following Monday's meeting the group was served homemade ice cream and cake. Guests for the evening included Mrs. Esther Wallace and Mrs. Lionel Provazek.

First Baptist Class Meets At Brewers'

The P.E.L. Class of the First Baptist Church met with Mrs. J. W. Brewer for a regular business meeting recently with President Mrs. M. A. Baggerly in charge.

The prayer was led by Mrs. E. A. Flinn with the devotional by Mrs. I. N. West. After the formal business was conducted a social hour was enjoyed by fifteen members and three visitors, Mrs. W. J. Williams, who recently moved to Cameron, Mrs. E. A. Flinn and Miss Helen Flinn.

The hostess served ice cream and cake.

The members were dismissed by Mrs. Baggerly, who led the closing prayer. The next regular meeting will be September 15.

Mr., Mrs. Bigbee Honor B. Barnett With Lawn Party

Mr. and Mrs. W. D. Bigbee entertained with a lawn party at their country home honoring Bobby Barnett of Baytown. The honoree is the son of Mr. and Mrs. R. A. Barnett of that city. He is the nephew of Mr . Bigbee.

The lawn was decorated with wrought iron stands with a candle in each. Five tables with gayly decorated cloths were used. Each was centered with a candle.

Twenty young friends of Bobby were invited to help him enjoy the occassion. The hosts who were assisted in hospitalities by Mrs. R. C. Moody of Temple served Barbecue chicken, potato salad, baked beans, pickles, ice cream and Cokes.

Bradley Veloz of Edinburg transacted business here Tuesday.

★ PARR AGAINST GOV. SHIVERS
Staff Special to The News
SAN DIEGO, Texas.—George B. Parr, the Duval County political power, said Ralph W. Yarborough would get his vote for Governor.
Parr interrupted a coffee-cup cafe conference with Roy Harrington of Austin, secretary-treasurer of the CIO State Council, to say that he was not particularly for Yarborough.
"It's just that I'm against Allan Shivers," said the political boss.
Parr said that on Wednesday night he went to Falfurrias to hear Yarborough make a campaign speech. Parr said he sat in the bleachers at the school stadium where Yarborough spoke and did not speak personally to the candidate. Some Parr-backed local officials sat on the platform with Yarborough.
"We haven't talked since before he announced," said Parr.

Here is conclusive proof of the link between Parr, Yarborough and C.I.O.

This news story, appearing in the Dallas Morning News on Sunday, August 22, 1954, will convince all TRUE TEXANS that there is a conspiracy by the Parr-Yarborough-CIO Machine to TAKE OVER TEXAS.

Remember the CIO-PARR link has been repeatedly denied by Ralph Yarborough.

PARMA'S RETURN FROM THE NORTHWEST

Mr. and Mrs. J. T. Parma are back home after spending ten days vacationing in the cool upper reaches of the United States.

On their trip they visited Colorado, Wyoming, Mt. Rushmore in the Black Hills near Rapid City, South Dakota; also the Bad Lands near there.

They continued their trip through Dakota, Minnesota to La Crosse, Wisconsin. From Madison, Wisconsin, they visited St. Procopius College at Lisle, Illinois (Mr. Parma attended this College in his early days. To his regret he found only one of his teachers living).

On their return they passed through Chicago, St. Louis, running into "Cameron heat wave" at Springfield, Missouri. Up to Springfield, they slept very comfortably under one or two blankets.

It appears that the Northern States have abundance of rain and beautiful crops, while that of Southern Illinois to Texas are visibly suffering drouth and heat according to the Parmas.

Rev. Joel Thielepape To Conduct Marlow Baptists Revival

Marlow Baptist Revival has been scheduled for August 29 through September 5, Rev. R. B. Baker, pastor said. The services will be held each evening at 8 o'clock.

Rev. R. B. Baker
Singer

Rev. Joel Thielepape
Preacher

Rev. Joel Thielepape, pastor at the Calvary Baptist Church at San Marcos, will do the preaching. He is a former pastor of the Marlow Church and married the former Bythia Ann Baker, daughter of Mr. and Mrs. Clyde Baker of the Marlow Community. Rev. Thielepape has held several revivals this summer.

Rev. Baker will lead the song services. Mrs. Theo Burnett and Max McClaren will serve as pianists. A number of local people will assist with the special music.

Sunday, September 5 has been designated as homecoming day. Special plans are being formulated for the day. A basket dinner will be served at the noon hour. Members, former members and friends are invited to attend the revival and homecoming day services.

Mr. and Mrs. Eugene Brown of Cameron announce the birth of a daughter born August 3 at St. Edward Hospital. She weighed 6 pounds, 5 1-2 ounces and was named Carrlyn Jean.

Weekend visitors of Miss Lenora A. Bickett were Miss Tucker Robinson of Dallas, and Miss Robinson's two sisters, Miss Adelide Robinson and Mrs. Billy Cober, both of Corsicana. Miss Bickett and Miss Robinson were college roomates. Presently Miss Robinson is the assistant businness administor at Baylor Hospital in Dallas.

Brazos Home Show To Feature Comedy Star

The Brazos County Home and Do-It-Yourself Show in Bryan September 8-12 will feature Willie Pratt, better known as "Uncle Willie" as entertainment star of the 6:30-10:30 p.m. shows as well as during the 2 p.m. matinees on Saturday and Sunday.

Bryan Jaycees, with the assistance of Patrick O'Toole, president of United Home Shows, Inc., are sponsoring the mammouth Home Show in Bryan's Schumacher Building.

"Uncle Willie", a pint-sized Texas entertainer, combines the talents of singing, dancing, mimicry and pantomime to assure an evening of mirth and fun for his audience.

Already a veteran of stage, screen, television, and countless fairs and smart supper clubs, "Uncle Willie" is considered one of the top young comics of the day and has won the applause of the severest critics of show business-professional performers.

Also planned as special Home Show features are a button accordian contest—which local musicians are invited to enter—and the presentation of prizes running into the thousands of dollars for Home Show visitors.

The accordian contest is being sponsored by James L. Peters of Bryan's Peters Music Company. Champion accordianist to be selected Sunday night, September 12, will receive a new instrument from Mr. Peters plus a week-end at Houston's fabulous Shamrock with all expenses paid for two.

A minimum of 60 booths are expected to be manned at the show—booths which will tell visitors how to do everything from laying kitchen tile to building additional room on the house to accomodate a growing family.

Area citizens are particularly invited to travel to Bryan and see the show—"and we promise you a great time with plenty of fresh new ideas to take home with you, the opportunity to win lots of prizes and to share the fun with "Uncle Willie", says Bryan Jaycee president, John Sandstedt.

Buckholts Adds New Dining Spot

"Kitty's Cafe", Buckholts new eating place had its opening day Saturday with Mrs. John Zajicek, owner in charge.

The site of the new enterprise is the building formerly occupied by Frankie Tomascik who operated the service and bus station there until his recent move into new quarters on the new highway through Buckholts.

The building completely remodeled is modern in every way and features a screened dining annex with barbecue pit and family length tables for dining in groups.

For registration prizes, Mrs. Zajicek served a free barbeque dinner to the winners, Glenda Weber, Raymond Posival, Adolph Gresak, Dwayne Orsag and A. H. Jungmann.

Private Alvin E. Turner Stationed At Ft. Bliss

Private Alvin E. Turner, son of Mrs. Mable Turner, Cameron, has been assigned to the Antiaircraft Artillery Replacement Training Center at Fort Bliss, Texas, for his second eight week cycle of basic training.

Having recently completed his first eight week's of training in fundamental infantry subjects at another post he will now take up the skills of antiaircraft artillery.

During this second phase of basic training he will be expertly schooled in the firing of light and medium antiaircraft artillery weapons at low-flying and high altitude targets on the one-and one-half million acre Fort Bliss ranges. He also will be familiarized with the various electronic equipment used by the AA-RTC.

He will graduate at a formal parade and retreat ceremony and then be eligible for assignment in a permanent antiaircraft artillery unit.

Taylor Ducks Grid Team Expected To Be Slow At Start

The green and white clad Taylor Ducks, who are co-opponents with the Cameron Yoemen in District 23-AA are waiting until September 17 to open their football season for 1954.

The Ducks will be supporting a very light team and will operate under a new system. The boys from Taylor are out with more interest this year in hopes to not have a repeat performance from last year when they bowed to ten teams, including the local gridders, 53-6.

Bill Ford, Head Coach, described his team as one that will be building itself up for the future. They will be slow at first, gaining momentum, he hopes as the season progresses. No experienced running backs will return.

The Ducks will face five district opponents, which includes newcomer Rockdale. They open the district play against the Cameron Yoemen, which is the locals first district encounter too. Lockhart and Hearne are also newcomers to the Duck's 1954 schedule.

The team has a record of winning four games in 1952 and losing six. It was during 1952 that the Ducks won a narrow game over the Yoes. Tough luck hit them in 1953 as nearly every team that clashed on the gridiron with them crushed the Ducks unmercifully.

Thirteen lettermen will return when they open training. Cameron has nine returning, of which three were on the starting lineup. Duck assistant coaches are Richard Sherley and James Coon.

The 1954 schedule is as follows.

Sept. 17	Killeen	There
Sept. 24	Lockhart at	Taylor
Oct. 1	Giddings	There
Oct. 8.	San Marcos at	Taylor
Oct. 15	Hearne at	Taylor
Oct. 22	Cameron at	Taylor*
Oct. 29	Rosebud	There*
Nov. 5	Belton at	Taylor*
Nov. 12	Rockdale	There*
Nov. 19	Georgetown	There*

"Ter-r-r-ific!"

—words simply can't describe it!

Chances are, *you'll* be at a loss for words, too . . . after just a few minutes with a "Rocket" Oldsmobile. There's so much that's great . . . even "Ter-r-r-ific" falls short! For example, original color styling—already honored by a host of imitations! Interiors a step beyond your dreams! New, widest-ever vision with Oldsmobile's panoramic windshield! And in action, the 185-hp. "Rocket" Engine speaks for itself. To all this, add Safety Power Steering*, Power Brakes* . . . in fact, every power feature in the book . . . for wonderful, *workless* driving no matter what lies ahead. Result: the *greatest popularity and highest sales in Olds history!* Isn't that your cue to visit our showroom . . . take the wheel . . . and let a "Rocket" Engine Oldsmobile do the "talking!"

*Optional at extra cost.

YOEMEN —

lone, Warren Rinn, Lee Hollas, Clifford Swift, Darrell Armtrong, Billy Jistel, Bobby Glenn, Frank Slavik, George Burwick, Arthur Marek, F. Angel, Bartel Johnson, Eddie Pavelik, M. Janiek, George Dillion, Clayton Canizzales, and J. C. Wheeler.

Expected to be the top prospective starter in the Yoes backfield are Rettig, Lynch, Rutherford, Williams, J. Heitman, Michalka, C. Angell, Thompson and Beale.

Making strong bids for the end positions are Mondrik, Petmecky, Massengale, Baggerly and Barr.

Buckleing down for the tackle posts will be Brown, Absnaider, J. Johnson, Bayer, Wallace, C. Heitman, Mees and Duncan.

Bright prospects as guards are F. Fleischer, Dohnalik, Polzer, Caldwell and Hoelscher. Collins and Solomon are strong bids for the center post.

Head Coach Leo Jackson stated that although the team is young, the boys are very enthused and the team speed should be somewhat improved. Until the prospects can work together and be whipped up into shape no predictions will be made concerning the season's games.

The Yoemen tied for district last year but after the toss of a coin between Rosebud, Belton and Cameron, The Black Panthers from Rosebud represented the district. The local grid team lost one district game last season, the final game, against Rosebud, which was incidently, a heartbreaker. They romped over the others—Georgetown, Taylor and Belton—by huge scores. This year the Yoemen will also face the Rockdale Tigers in a District 23-AA game.

Cameron opens the pigskin season on September 10 here against University Heights of Waco. They'll also clash with Lampasas, Caldwell, LaVega and Killeen before opening district play October 22 at Taylor against the Ducks.

Coach Jackson also stated that team captains will be chosen each week and alternated among the players as was practiced during the last football season.

Coach Jackson will begin his third consecutive year as head football mentor. He returned to Cameron after coaching at an East Texas town for several seasons. Line coach is J. R. (Dick) Young, who is no newcomer to local football fans. Coach Young has been with the local school system for a number of years. Beginning his first year here as B and C team coach is V. A. Allen, who formerly was at Texarkana.

late the money collected and the total, along with that from the other Milam county towns will be turned over the County Chairman, Tumlinson, who in turn must split the grand total in three ways.

One-third of the money will remain in this county to finance the treatment of local polio patients. At this time there are seven persons being treated and financed by the local Chapter. Another one-third goes to the National Chapter for equal distribution for patient care. The remaining one-third also goes to the National Chapter, but it is strictly for the prevention of polio and to finance laboratory researches to prevent this dreaded disease. The expense of the polio vaccine study, of which the evaluation program is an important part, is one of the main reasons for the current Emergency March of Dimes. The National Foundation does not have the funds to continue hopeful polio prevention studies and provide funds for patient aid.

Funds collected during the Emergency March of Dimes will make it possible to carry on both important programs.

Each person knows, of course, that polio incidence is high for this time of year—even by the tragically high standards of recent years. Although it may now be very close to preventing paralytic polio, each day new patients look to the March of Dimes for financial help.

And today, March of Dimes funds are exhausted.

The people must be made aware of the dire need for polio-fighting funds. Their support must be seeked, and won for the the programs to aid the stricken and to protect the children of tomorrow.

Tumlinson noted that in the past the total collected from the March of Dimes Drive has been divided into two parts, half of it staying here and the other half being sent to the National Chapter. More patients are needing care and the expense of the researches are greater, which demands more funds to carry on this work in the National laboratories.

"We know that when the people of Milam County are informed of the desperate need of polio patients all over the country and are given the opportunity to help, they will do so", Tumlinson added.

The Emergency March of Dimes will be conducted August 16-31.

JOE MUNOY —

of Ben Arnold on Farm Road 1444. Mrs. Reinders upon learning of the tragedy immediately went to the L. A. Swanzy Store at Ben Arnold where Mr. Swanzy summoned the Cameron Volunteer Fire Department and the Marek-Burns Funeral Home Directors. Bill Burns and Pat Gleason brought the fire department's resusitator to the scene of the drowning. They worked for more than an hour in an effort to revive the boy.

When the directors arrived, a large number of neighbors had gathered at the scene and were dragging the tank. The boy's body was surfaced about 3:30, Mr. Burns reported. Oxygen and artificial respiration was administered by the funeral directors.

Justice of Peace, O. C. Nolte made the inquest. The boys parents, Mr. and Mrs. Pedro Munoz were in this area with a migratory cotton pulling crew and and were living on the Reinders farm helping with cotton harvest. The family had recently come to this county from Sabinal, Texas but are originally from the state of Michigan.

PITS —

and patios that are being constructed in the three city parks, have been completed, and that the others will be completed in the near future. The city requested the public not to use the new pits until about September 10. Gene Blake is chairman of the Parks Committee and headed the planning of the pits.

A committee of the D.A.V. appeared before the council for the purpose of leasing the bath house in Ledbetter Park. The lease was granted by the council to this organization.

Attending Tuesday's meeting were Mayor O. B. Horstmann; Secretary Neomi Needham; Attorney Roy Baskin and Marshal Frank Richter. Alderman in attendance were Johnny Anders, Roy Griffith, Milton Schiller and Roy Weems.

JUDGES —

but two were delivered on the night of election in the county to the chairman and county clerk.

The chairman has secured the same efficient staff to assist in compiling the returns for the August Primary that helped with the July election. Bob Abel, manager at the Chamber of Commerce, will again be at the phone to receive returns as they come in. Billy Black, Mrs. Lillian Lester, Mrs. Johnnie Baker and the chairman McClaren make up the rest of the personnel that will be on duty the night of August 28.

The room adjacent to the sheriff's office will be used again as in the July election for receiving the returns. Election managers may bring their envelope addressed to the chairman to the office of Sheriff Carl Black as soon as possible after the closing of the polls. The keys to the boxes are to be left with the sheriff.

The ballot boxes, and envelope addressed to the county clerk are to be brought to the office of the county clerk. His office will be open for the managers and Leo O'Neil will be on hand to reecive the clerk's materials. Homer Nabours, county clerk, has been ill for several weeks said his office would be open for the convenience of the judges who desired to bring in their materials that might instead of Monday.

Grady Allen, district clerk, who receives the stub boxes will have his office open also on election night, in order that judges may leave the stub boxes with him. It has been his practice in the past to have his office open and said this week this courtesy will be in order again for Saturday's election.

Supplies will be delivered this week to managers in time for the election Saturday.

RAIN —

source Development Corp. in Denver took some credit for the Dallas rain. Wayland Walker, a short-range forecaster for the cloud seeding firm, said in Denver that it had put a silver iodide crystal ground generator into operation at Ennis, Tex., two hours before the Dallas rains started.

The Dallas Council has a contract with the Krick firm for cloud seeding.

Another rain firm, the Texas Water Research Foundation, Inc., of Dallas, reported that it had a pilot aloft before the Dallas rains.

ROAD PROGRAM —

was opened by Judge Smith who acted as temporary chairman with Oxsheer Smith giving the invocation.

After a catfish dinner permanent officers of the citizens committee were elected. By acclamation Hinton H. Pruett was elected Chairman and Mrs. John Florida was named recorder.

In his opening remarks Judge Smith pointed out that the government, whether city, county, State or Federal directly affects every person and yet the majority ride the crest and do very little about it.

"It behooves all of us," Smith forcefully asserted, "To take a greater interest in our government, and good government begins at home."

Much factual information on the present Milam County roads was divulged by Smith, who has made a complete survey and study of the problems. The primary factor was that during the past five years $864,618.51 has been spent on the rural roads of the county and the taxpayers are still traveling on 1000 miles of gravel roads and crossing wooden bridges.

He added that our forefathers had been foresighted and sold bonds to build the present roads, and they were good roads — for Model T's, but not for the cars of today which are designed to be driven approximately 60 miles per hour in average traffic.

Before delving into the problems of constructing the Farm to Market roads, Smith reminded those present that if the roads are built in the near future under his plan, the state would be compelled to handle the up-keep, which would take an approximate $80,000 load off the county yearly.

The road program would be completed in two stages: (1) Build the primary system of 176 miles of rural roads to State Highway department specifications for Farm to Market roads and (2) (which would be completed in three phases of one year each), (a) Replace all of the wooden bridges in 134 miles of road in the Secondary System with suitable concrete pipe, and where necessary replace wooden structures with concrete structures of suitable design.

(b) During the second year, with the savings resulting from decreased maintenance costs, put in place and compact all base materials required, utilizing local materials and material in place in present roads where feasible; and (3) During the third year, and with the savings resulting from decreased maintenance costs, prepare base materials on Secondary roads for topping, apply seal coat, and surface treatment of all weather type.

Smith explained that in this way both systems could be built in four years, at the end of which period there would be a total of 310 miles of paved rural roads which, with the State's existing system, would give us a total of 525 miles of paved rural roads, carrying 92 percent of our total rural traffic.

In advocating the construction and rehabilitation of roads Smith explained that a large portion of the two million dollar bond would be paid off by a 30 cent tax, which during the past 20 years has been allocated to the Brazos River Authority and can now be used within the County for the county needs. Other sources by which to pay off the bond were cited, and as a result it was deemed by Smith that there would be no need for an increase in the taxes.

It was also brought out that the County is now solvent, with no bonds floated which cannot be met out of the sinking fund.

After an open discussion it was decided by the members that they would like to have time to think over the bond issue and discuss it with their neighbors and reconvene on September 3 at 7:45 at Singers restaurant in Rockdale to advise on the soundness of presenting a bond issue at this time.

St. Anthony Catholic School To Open September 6

Registration at Saint Anthony Catholic School will open on August 29 and continue through September 4 it was announced this week. It was stressed that registration will be conducted only from 9 a.m. to 12 noon on those days.

Classes will open on Monday, September 6. All children will begin the new year by attending Mass on that day at 8 a.m. celebrated by the acting pastor, Rev. Clyde Holtman. Mass will be said each morning thereafter at 8 a.m. St. Anthony classes are dismissed at 3:15 p.m.

The school, which is supported by Saint Monica Catholic parish, teaches the first through the eighth grades, and it is under the direction of the Sisters Of The Divine Providence from Our Lady of the Lake Convent, San Antonio. The four Sisters, who teach the eight grades, have arrived and are completing final plans for the opening of school.

Approximately 150 students are expected to enroll this semester.

Four Men Hospitalized As Result On One-Car Accident Near Milano

Three area men are in serious condition and one in critical condition as the result of a one-car accident that occured at about 2 a.m. Thursday three miles South of Milano on U.S. Highway 36.

R. H. Foster, 24 of Route 3, Cameron is in Scott and White Hospital, Temple with a crushed leg and other injuries. He was taken to Richard's Clinic in Rockdale and later transfered to the Temple hospital. His condition was described as critical.

Thomas Everette Lagrone, 29, of Bryan and driver of the car, and Amos Lagrone, Jr., 19, of Route 1, Milano, were both at Richard's Clinic, Rockdale. Both were still under emergency treatment Thursday morning. Their exact injuries were not disclosed but both were in serious condition. One other passenger of the car, Arthur Shaffer, 23, of Route 3, Cameron was admitted to Richard's Clinic in Rockdale and later transfered to St. Edward Hospital, Cameron. Shaffer suffered a leg injury.

It was reported that Thomas Lagrone was driving the 1936 Ford north on the highway. The vehicle went off the road and hit two large Oak trees, which completely demolished the auto.

Phillips & Luckey ambulance of Rockdale and Schiller ambulance of Caldwell were summoned to the scene and carried the four men to the hospital. Investigating the accident was John Blansit, local highway patrolmen. The investigation was not complete by press time Thursday.
